About KAM:

Since 1911, the Kentucky Association of Manufacturers (KAM) has served as the leading advocate for the manufacturing industry in the Commonwealth. Manufacturing is the “economic engine” of Kentucky, representing over \$33 billion in annual GDP and more than 245,000 employees. KAM’s goal is to protect and promote the manufacturing industry in Kentucky through advocacy, workforce development, cost-savings benefits for members, and connecting our members.

About KentuckyOne Health:

KentuckyOne Health is the preeminent health care provider serving the state of Kentucky, offering state-of-the-art diagnostic and treatment techniques through the largest and most comprehensive health system in the Commonwealth. KentuckyOne has more than 200 locations including hospitals, clinics, primary care centers, home health agencies, etc.

About Richmond Industrial Development Corporation:

Richmond IDC is a non-profit and non-stock corporation formed in 1995 pursuant to the KY Non-profit Corporation Act. The corporation is governed by an eleven-member board. The program works closely with existing industry to encourage expansion and job retention, promote growth, stability and well-being for all citizens by enticing commercial and industrial development.
