Introducing a New Member Benefit Program

- Our clients reduce their telecom and merchant services expenses by an average of **28%** and in most cases, a carrier change is not required.
- We can become a single point of contact to manage all telecom and merchant services issues at no additional cost.

Schooley Mitchell is the largest independent telecom and credit card processing consulting organization in North America. We focus on reducing the cost of telecom and credit card processing services with complete vendor neutrality.

- ▶ In business since 1980 with 17,000+ clients in North America.
- ▶ Analysis is provided on a contingency basis: Schooley Mitchell's fees are self-funded out of the savings generated from reduced expenses.
- ▶ Knowledge of best-in-class price points through our extensive benchmarking database.

Our analysis includes the review of the following services:

- Local Service
- Internet Access
- Cellular
- Long Distance
- Data Connectivity (WAN)
- Conferencing
- Electronic Payment Processing

Testimonial

"We've worked with Schooley Mitchell since April 2011 and in that time they have negotiated over \$128,000 in savings for our telecom services. In addition to the help to our bottom line, Schooley Mitchell also serves as a single point of contact for all aspects of our

telecom management. We viewed Schooley Mitchell's model as having no risk and have benefited from the relationship."
